FullNet Announces New President

OKLAHOMA CITY, OK – FullNet Communications, Inc. (“FullNet” or the “Company”)(FULO – OTC Bulletin Board) today announced the promotion of Roger P. Baresel to the position of President. Mr. Baresel has served as FullNet’s Chief Financial Officer and a member of its Board of Directors since November 9, 2000. Mr. Baresel is an accomplished senior executive with over 25 years experience working with businesses in transition and has previously served as the president and director of successful public and private companies.

Commenting on Mr. Baresel’s promotion, founder and CEO Timothy J. Kilkenny said “Roger is a talented and dedicated individual who has made a tremendous contribution since joining FullNet and we feel fortunate to have someone of his ability serving in this capacity during these challenging times.”

FullNet is a facilities-based Integrated Communications Provider headquartered in Oklahoma City, engaged in consumer and business Internet services, including 1) dial-up and dedicated broadband access, with customers in more than 30 communities in Oklahoma, and 2) web hosting, server co-location and telecommunications premise co-location, with customers throughout the United States and more than 40 foreign countries. For more information, visit the Company’s web site at <http://www.fullnet.net>.

Certain statements in this release may constitute “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Certain, but not necessarily all, of such forward-looking statements can be identified by the use of forward-looking terminology such as “anticipates,” “believes,” “expects,” “may,” “will,” or “should” or other variations thereon, or by discussions of strategies that involve risks and uncertainties. The actual results of the Company or industry results may be materially different from any future results expressed or implied by such forward-looking statements.
